Over 15 years LaserFast has built strong relationships with iconic I.T. brands and suppliers such as Microsoft, HP, IBM/Lenovo, Toshiba and Samsung.

As *LaserFast* is independent we're able to offer our clients I.T. equipment from all manufacturers - based upon our clients' own specifications, requirements and budget. We supply hardware ranging from one mobile device through to domain servers for corporations - either for outright purchase or under finance. Our aim is to get you the best solution possible for your budget.

LaserFast can supply I.T. hardware of all types and brands including:

- Desktop, Laptop and Notebook computers
- Monitors, Keyboards and other peripherals
- Servers, Switches, Routers
- Network cabling
- Hard Drives and other media
- Software and licensing

WHAT'S IN IT FOR YOU?

Finance Managers trust us to get the best prices available on the market through our special partnership pricing - and we offer leasing and other finance options to relieve your capital expenditure.

If you're the **I.T. Manager** we can remove the headaches of having to shop around and research the market. You'll love the fact we're not tied to any particular manufacturer and we can work out the most suitable equipment for your requirements, preferences and budget. Our independence is your freedom.

No matter who you are, you'll be happy that you have the right I.T. equipment to manage your workload.

Our approach is flexible and as we are an independent company, we can implement the best mixture of hardware from a range of suppliers.

LASERFAST has been providing good 'old fashioned' service since 1996 across Australia. Thousands of businesses trust us for reliable service, independent expert advice, and for the flexible solutions we tailor for each customer and project. Our clients include *NAB, Fosters and Kennards Hire*.
