**INTERESTED IN SAVING MONEY, TIME  
AND THE HEADACHES ASSOCIATED WITH  
MANAGING YOUR PRINTER NETWORK?**

With a LaserFast Managed Print Service (MPS) we provide your business with a customised solution that manages all your print devices and pro-actively supplies consumables and service - all under one easy agreement that will reduce your costs and give you greater control of the print environment in your organisation.

**A LASERFAST MPS WILL:**

- Lower your printing costs through better utilisation and implementation of devices and consumables
- Decrease your costs through a reduction in the labour required to manage your MFDs and printers
- Reduce the complexity of managing the print environment through a single point of contact, one agreement and one monthly invoice
- Reduce the environmental impact thanks to lower power usage, reduced consumables and paper usage
- Improve your document flow, management, storage and retrieval, resulting in improved productivity and user satisfaction.

**LOOKING FOR ADVICE AND THE BEST PRICES ON  
I.T. HARDWARE AND I.T. SYSTEMS MANAGEMENT?**

LaserFast's trusted reliability and expertise will keep your I.T. systems operational and secure while our supplier relationships will secure you the best pricing on I.T. hardware and systems.

**LASERFAST SUPPLIES I.T. HARDWARE AND  
SYSTEMS OF ALL TYPES AND BRANDS INCLUDING:**

- Desktop, Laptop and Notebook computers and peripherals
- Servers, Switches, Routers, Network Cabling and Hard Drives
- Software and licensing
- Cloud Hosting advice and implementation
